

CEDAR Cabin

Ideal for...

Studio • Office • Weekender • Workshop • Games Room • Shop
• Cottage • Extra Bedroom etc.

Have you run out of space at home?

Maybe you need an extra room, office or studio in your backyard!

These beautifully crafted Cedar Cabins will transform your property, creating a picturesque relaxing atmosphere for every application.

The Cedar Cabins are constructed with a solid steel frame and externally clad in Western Red Cedar Weatherboards.

Our Cabin kits are installed fast & hassle free due to the pre-modular panels with pre-fitted window and weatherboard cladding already attached.

All cabins/garages are supplied unpainted/unstained
